

The Greatest Camp on Earth!

Discount Schedule 2008

SM SM

V1 3/07

Team discounts: Any club or instructor who registers multiple Campers all at the same time may receive free registrations: for ten paid registrations, the 11th is free. In the same way, the 21st, 31st, etc. will be free registrations.

Family discount: the second and subsequent registration for members of the same family will be granted \$20.00 discounts. In this context, *family* means parents and their children. Registrations must be received all at one time. As an example, a father registering himself and two children would pay one full registration fee and two discounted registration fees.

Setup assistance: individuals who assist in setting up the venue on Wednesday, working a minimum of two hours, will each receive five \$5.00 Greatest Camp gift certificates, a total of \$25.00 worth of certificates. These can be used to pay for registrations, for items sold at Camp (such as drinks or T-shirts), and to pay for meals for non-registrants (such as parents who are not themselves Campers). These must be used in \$5.00 increments – no change will be given if only a part of the value is spent. Greatest Camp gift certificates may be kept and used in subsequent years. Greatest Camp gift certificates cannot be redeemed for cash.

Teardown assistance: Individuals who assist for at least two hours on Sunday afternoon will each receive five \$5.00 Greatest Camp gift certificates (\$25.00 total), in just the same way as for Setup assistance.

Other: Other volunteers may be Mat Moms, Mat Daddies, lunchtime kid-herders, and perhaps a few others. Depending upon the number of hours volunteered, we will award gift certificates or camp fee rebates as shown in the following table:
